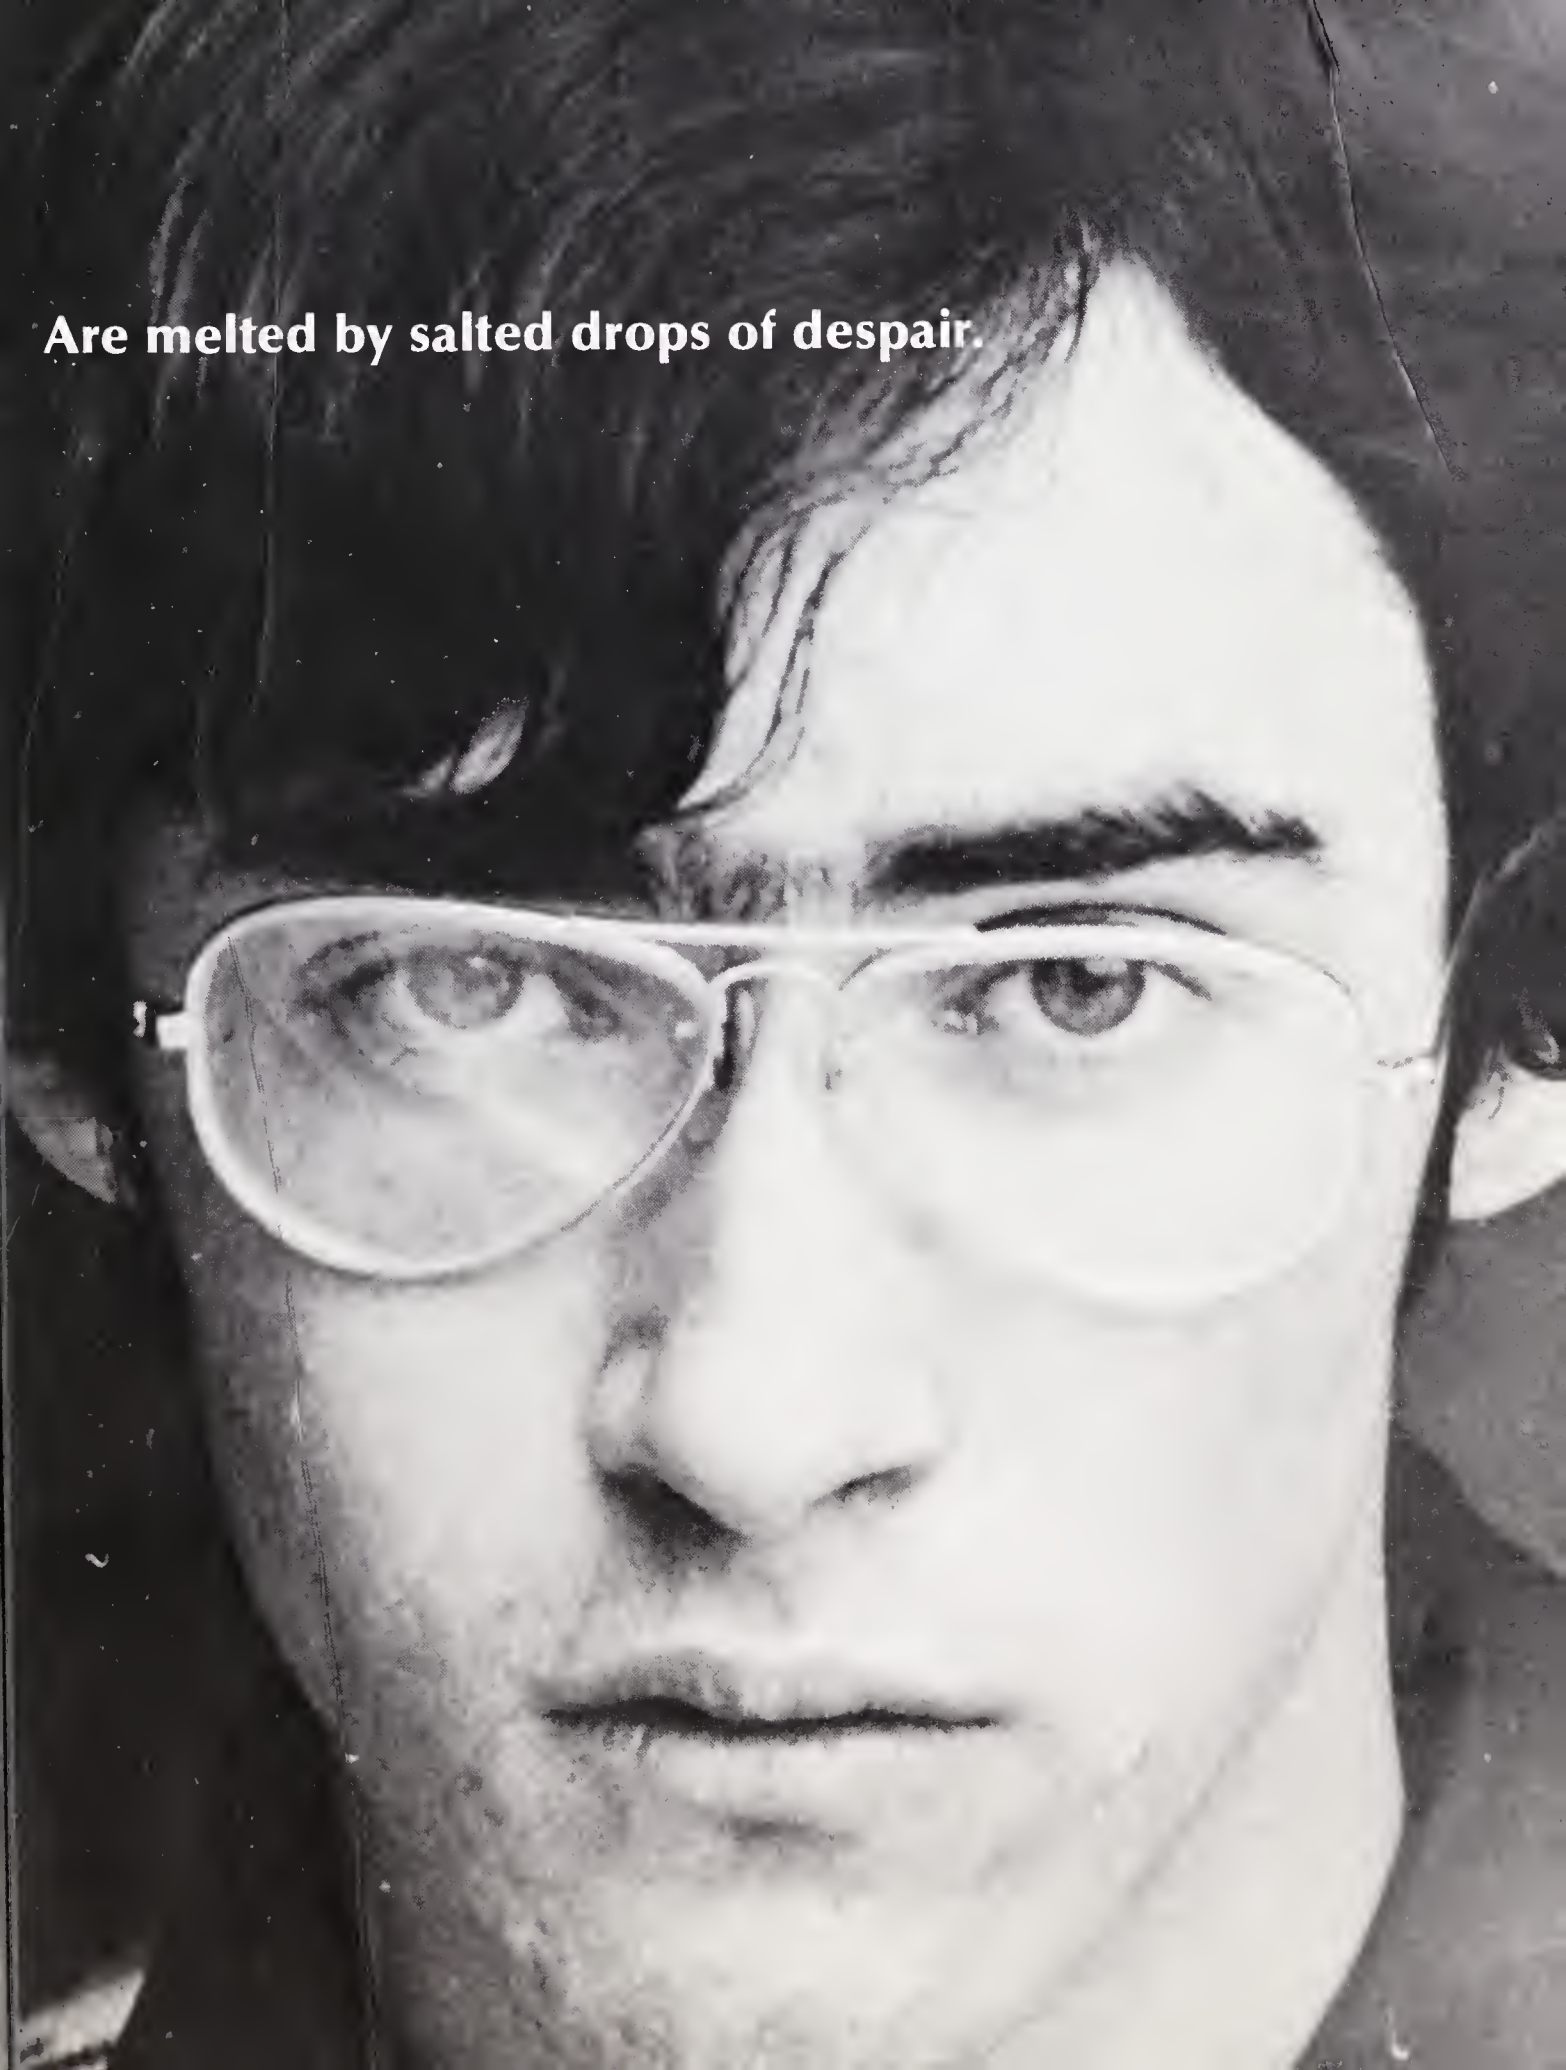
. . . is a complicated thing

To be born into.

Just when you're soaring high,

A failure brings you down.

Smiles and Happiness



Are melted by salted drops of despair.

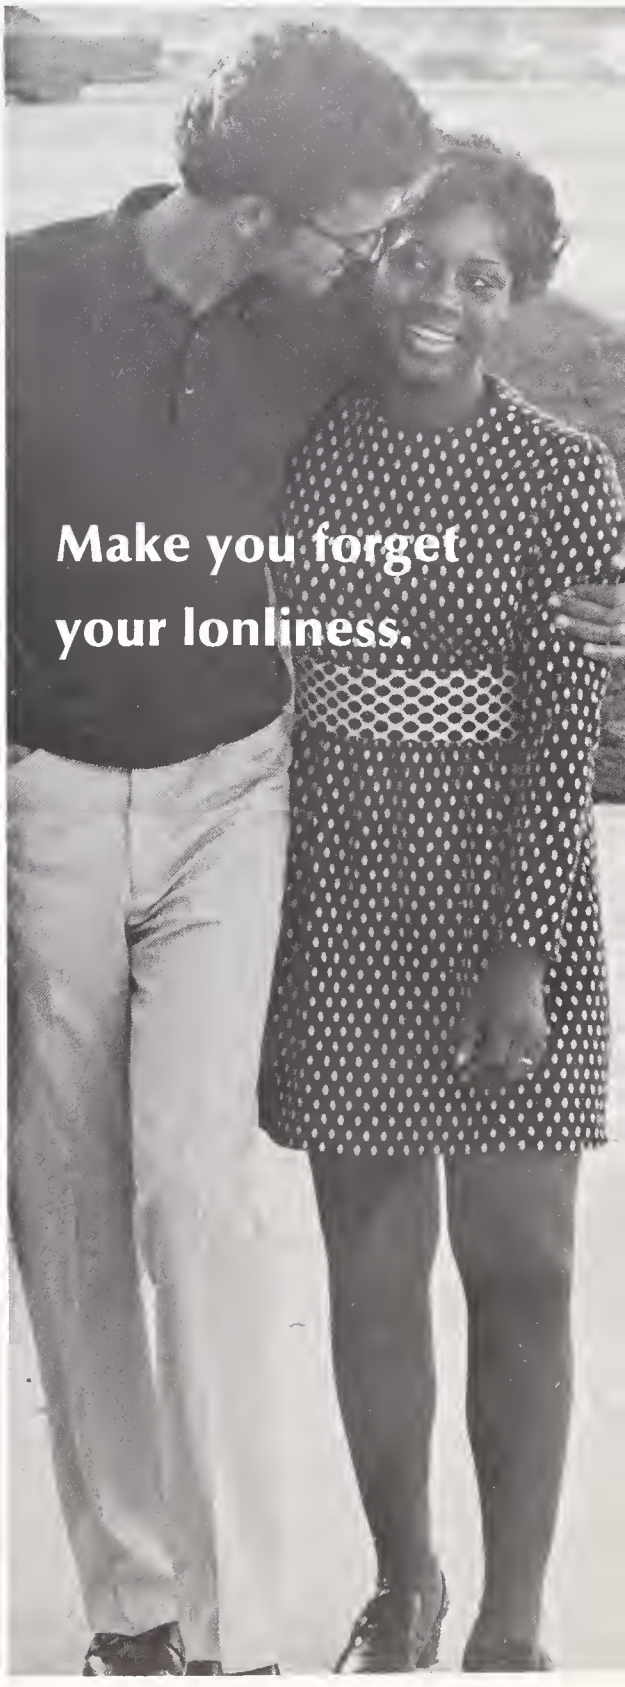
And you feel
All alone in a Darkness.

Then day breaks . . .

And crowds, good times,

Quiet thought,

And maybe that special someone . . .



Some days you feel so great

that Even Ugly is Beautiful

To See

To Feel

. . . To know

To be . . .

The

reality of

life continues,

And we,

the VICTIMS . . .

Must make
The best of it.

Life . . .

"If we could have gotten a little more publicity about the charter buses, I think we could have had a lot more support and would not have had to worry about $ so much. **(Cady)**

"Lay off would you. I've been at the school since 9:30 this morning decorating for Homecoming and around 4:00, you get a little tired. I don't suppose it would have been so bad but when we were painting the WELCOME sign the wind was blowing so hard that it turned the sign over so when we went to turn it back over, we turned the paint over. **A whole bucket now!** So what did we do? We painted off the ground and onto the sign. That was a hassle." **(Jackie Bass)**

"I stayed up at the school until 4:00 with that decorating crap and had to be back up here that night dressed and beautiful for that little march on the field at the half. Now THAT was the hassle! **(student)**

"Okay children. Let's wake up. French is the language of love: So . . ."

"So the first year you listen to records. It sounds like a romanticist with harelip."

"So vocabulary words come and go. Exactly. They come for the test and move out to make room for more important things. Like who won the ball game last night. You know, it's no different from all the rest of the courses."

"So it's a lot of memory work. That's really just in the beginning. After a couple of years you begin to think in French and it's not just words anymore, but a language that I find just as important as English."

"So it goes that French is a love language. That's just because of French kissing! French is a love language like Spanish is bull . . . .!"

"So . . . I pursue French relentlessly, ruthlessly (wonder where Ruth is) doggedly (ruff! arf! bow wow!). At Fourth and Drucker I turn right. At Drucker and Fourth I turn left. I search MacArthur Park for the art of speaking and run into a great sandstone building (oh my nose) . . . French."

"Such garble speech!"

Maria Mercedes Hoyos came to Southern this year from Cali, Columbia. She spent her first months with Larry D. Bass from Momeyer (Carol), and her last months with Braxton Bunn from Stanhope (Harriet).

When Maria first arrived, she had only had one year of English. Many times you could hear her say, "Your language . . . very hard-Yes!" But after a month at Southern she was remarking, "He's a red neck, No?" or an occasional, "Out of sight!" She came to the 'futbol' and basketball games and became a real Firebird. She saw her first snow during her stay . . . She admitted her love for all movies and especially Perry Mason. She 'gets off' on Santana too (I didn't know they had Santana records and Perry Mason in Columbia). Yeah, Maria shocked us all. She informed us that Mary Ann Mobley was Miss America in years passed and we marvelled . . . since we didn't even remember that about our own country. Spanish for her was not as easy a subject as people may think. She read the Spanish with ease of course, but while we (in Spanish III) were converting to Spanish, she would translate to English. Maria taught us a lot. Her morals are a little different and it was hard to recognize that she was really a normal down to earth chick who, by the way, wants to be a lawyer.

Track

The Firebird cindermen of 1971 soared high, gathering prey from all ends of the conference. Long hours of ungloried running and practicing payed off with a 20-2 record, second place in the conference track meet, and second place in the conference standings. With the new conference alignment, the Firebirds may have already started a track dynasty.

This year was a year of improvement and a lot more understanding. This was brought about by two new members to the coaching staff along with Coach Ball and enthusiasm of the players. The two new members were Coach Edwards and Coach Parks.

We were outsized but we weren't outmanned. We were determined and we were upset. And we upset Southern Wayne, the conference leaders.

As Coach Parks would say, "Let's start a tradition," and Coach Edwards would say, "All it takes is a little pride." This brings about a good outlook for the upcoming season.

The 1971-1972 Varsity Firebirds brought success to our basketball efforts. As the season progressed, the Firebirds became a hard working, unselfish basketball team. Led by veteran seniors—Marcellus Thompson, Steve Bryant, Donnie Andrews, Milton Mack, Donald House, Thomas Winstead, and Lynell Perry—and a few "gutty" underclassmen—Larry Burgress, Claudius Elmore, Henry Joyner, Randy Glover, and Johnny Hopkins—every team in the conference feared coming to "our place" to meet the mighty Firebirds.

Row two; Gail Bland, Brenda Cooper, Janice Hobson, co-captain, Linda Dummitt.

Row three; Susan Dilda, Gloria Pope, Susan Collie, Alva Bass, Faye Batchelor.

Nor pictured: Elizabeth (Peaches) Merritt.

These girls have worked very hard this year to **"DO IT FOR SOUTHERN."** They have faced victory (the first over Northern Nash) as well as defeat, but all the while, they have proven that they are "Proud to be a Firebird"

Basketball, Junior Varsity

This year's Junior Varsity basketball team was a team without a star. They relied on seven or eight players, each playing about the same time and each a good team player. With balanced scoring the Little Firebirds were hard to stop. This group of spunky sophomores gives the school a lot to look forward to in the Firebirds' teams of the future.

"All they want to know is how high you were in the twelfth grade. They never look at anything else! Grades is all they care about."

Guidance

The guidance department at Southern Nash Senior High School exists for the students. Mrs. Strickland or Mr. Pulley is in the office at all times to help you. Their bag is helping the students, not to discipline them. The guidance program offers to students:

(1) Individual Counseling
(2) Individual Analysis
(3) Group Guidance
(4) Educational Guidance
(5) Occupational Guidance
(6) Occupational Placement
(7) Orientation
(8) Financial Aid Assistance

"The guidance office is the heart of the school. This school could not exist without it as it provides the groundwork for the future."
